I started as RPM in Sept 2019 and Melanie Morash (now in R1) was RPM before that, which may be applicable to the request:

Description: Hello, I'd like to please request copies of any communications (letters, documents, emails, etc) between Northrop Grumman and the U.S. EPA about the TRW Microwave (Building 825) Superfund site between January 1 2018 and January 1 2022

Peter – This FOIA is for the remedial program as the requestor is seeking emails between EPA and Apple Inc on Superfund sites in Santa Clara county. I don't know whose section this falls in, if it's Chip, Kelly or Rusty. They need to be aware of this FOIA request.

The request is very broad and there's no specific site or address. This might need be re-assigned to the RPMs working on Superfund sites in Mountain View, Cupertino, and/or Sunnyvale.
